RELATIONSHIPS

*A few kind words from a friend,
Some helpful words from a teacher,
Guidance from a coach, or
Discipline from an administrator.
The faint touch of a passerby,
The brief acquaintance of a stranger.
The friendship of an outsider or
The befriending of an enemy.
All these things create memories,
But more important, they kindle relationships
And the precious moments that mold our lives.*

—Allison Jones

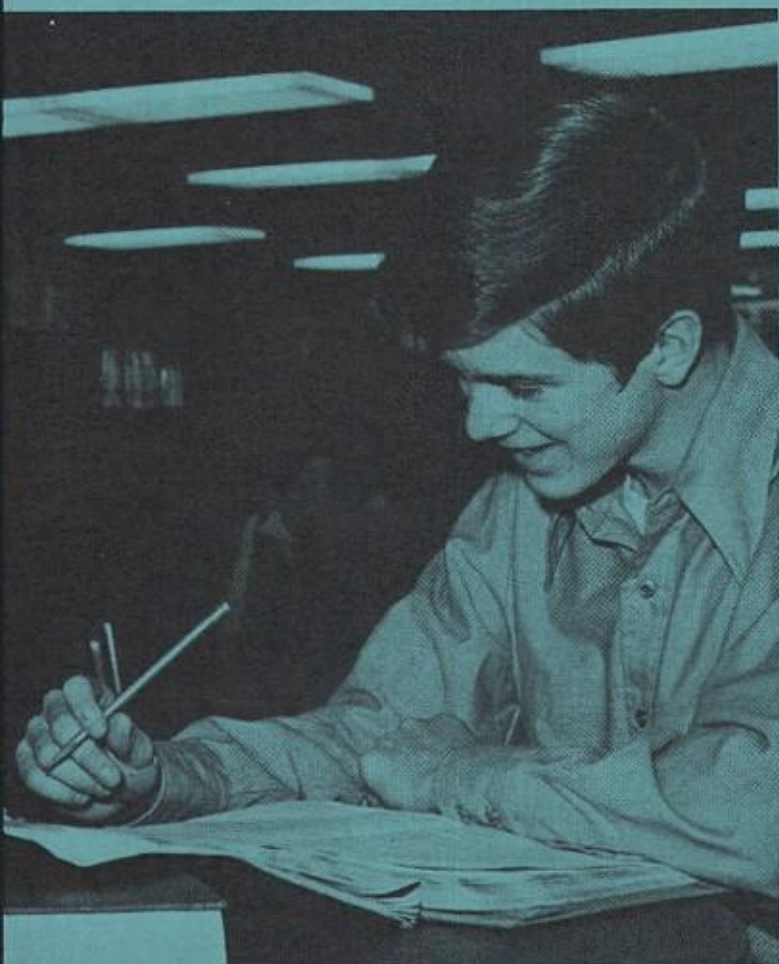

And in the sweetness of friendship, let
there be laughter, and sharing of pleas-
ures. For in the dew of little things the
heart finds its morning and is refreshed.

—Kahlil Gibran

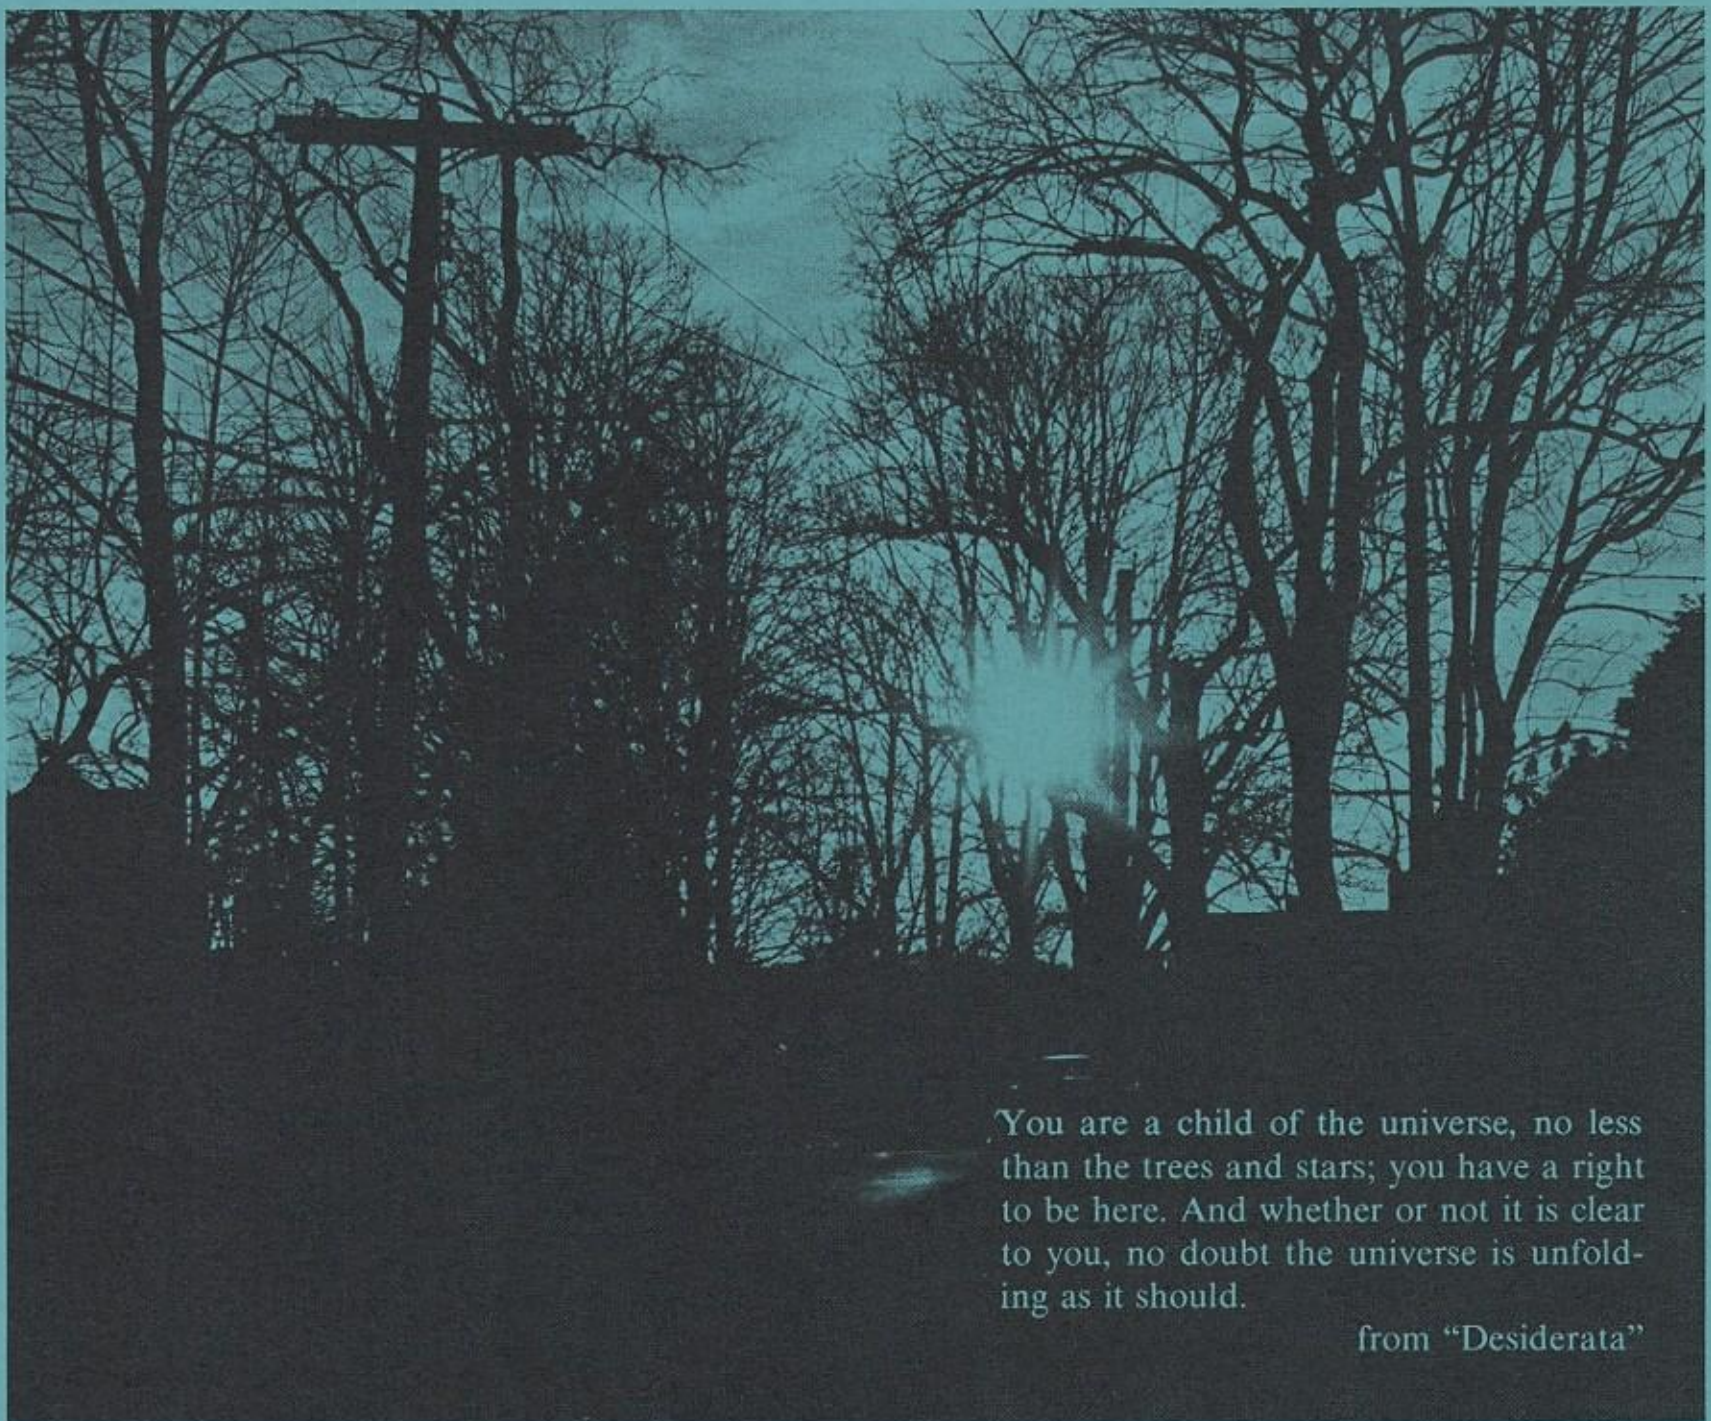

My umbrella friend
Keep me from the cold wet rain
For I have no hat.

—Sue Nuccio

Therefore, be at peace with God, whatever your labors
and aspirations, in the noisy confusion of life keep
peace with your soul.

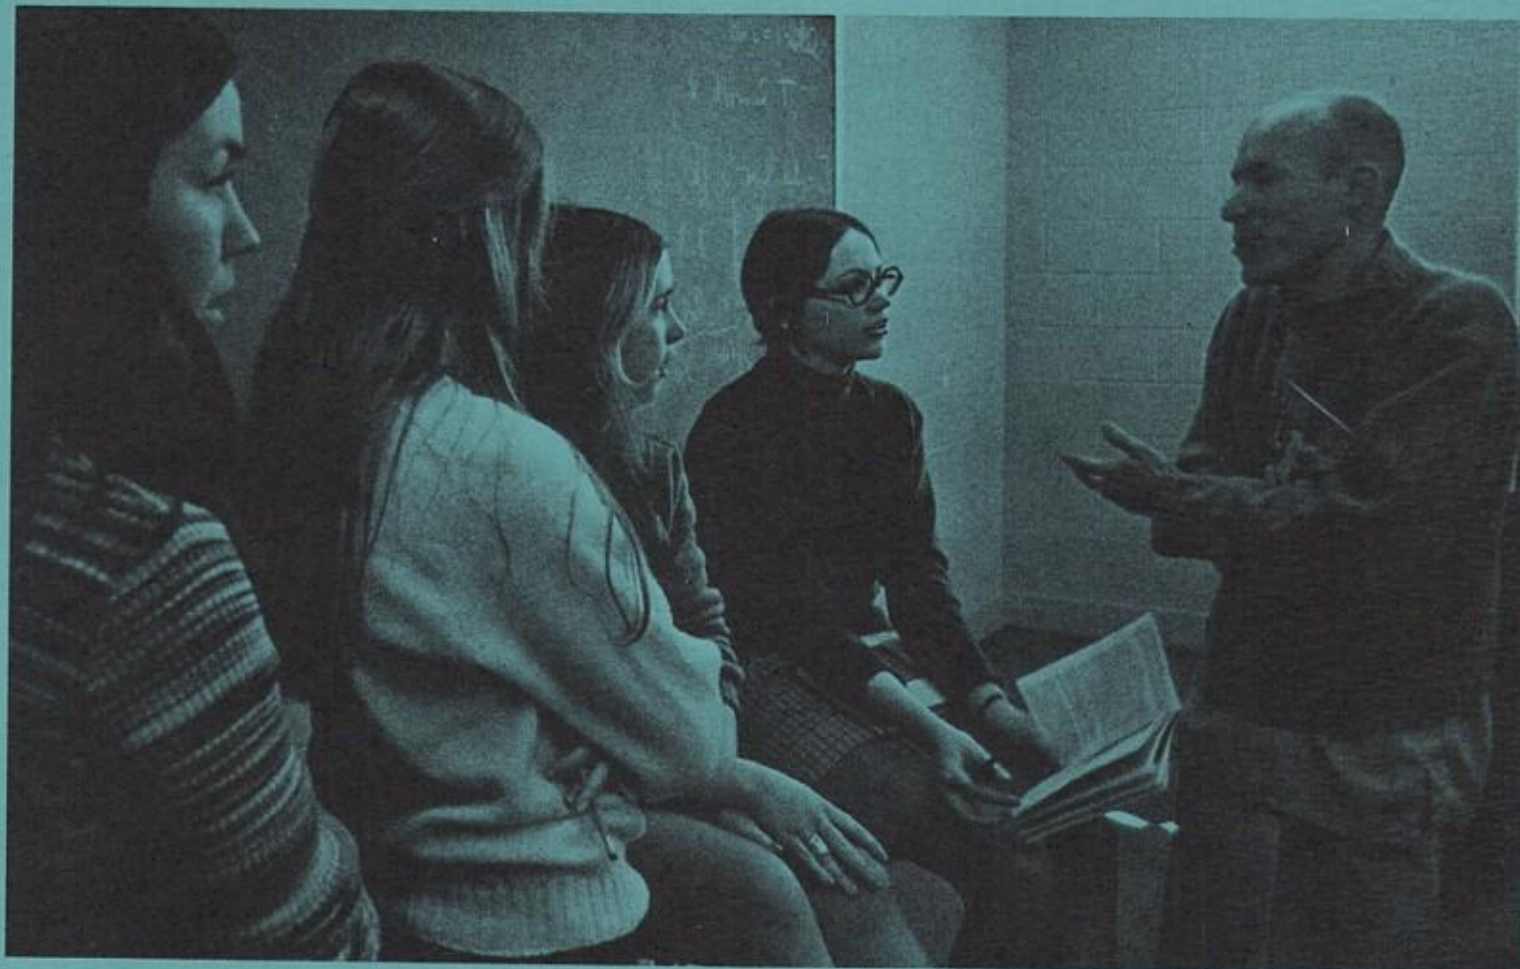

from "Desiderata"

You are a child of the universe, no less than the trees and stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should.

from "Desiderata"

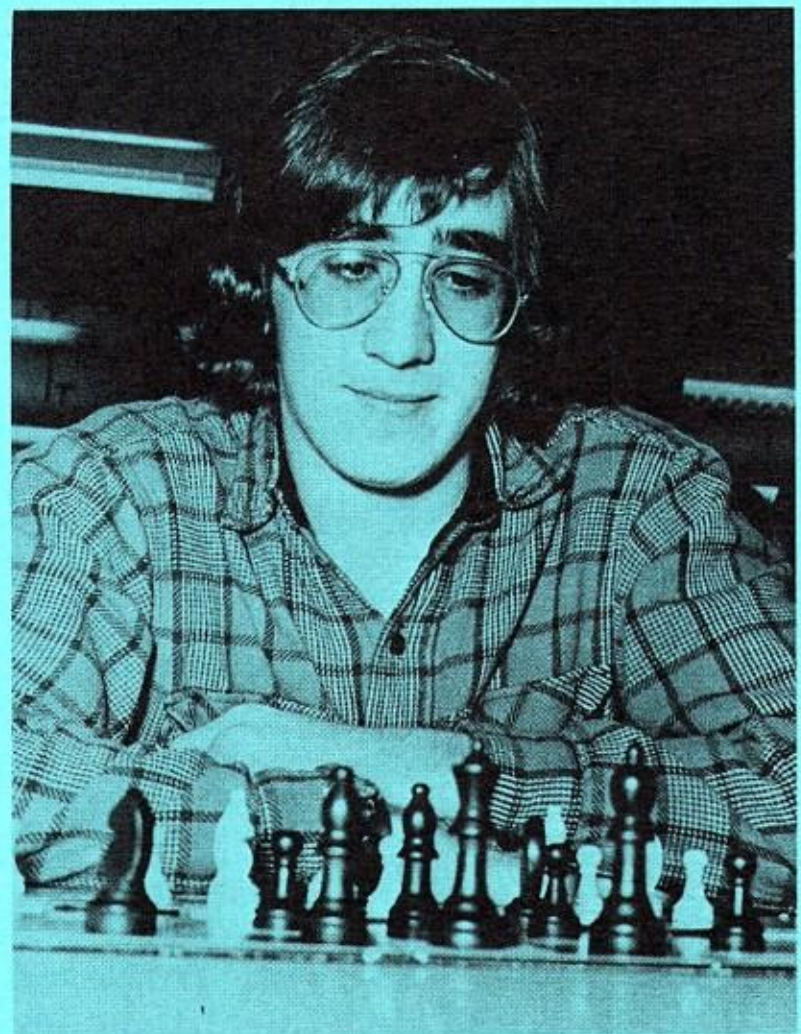

Real growth life comes to us from the outside as well as from within, comes to us from our relationships with other things and other people.

—Eugene S. Geissler

This haiku is for You, my friend—short, sincere in
Hopes that you will smile.

—Mel MacKay

The only way to have a friend is to be one.
—Ralph Waldo Emerson

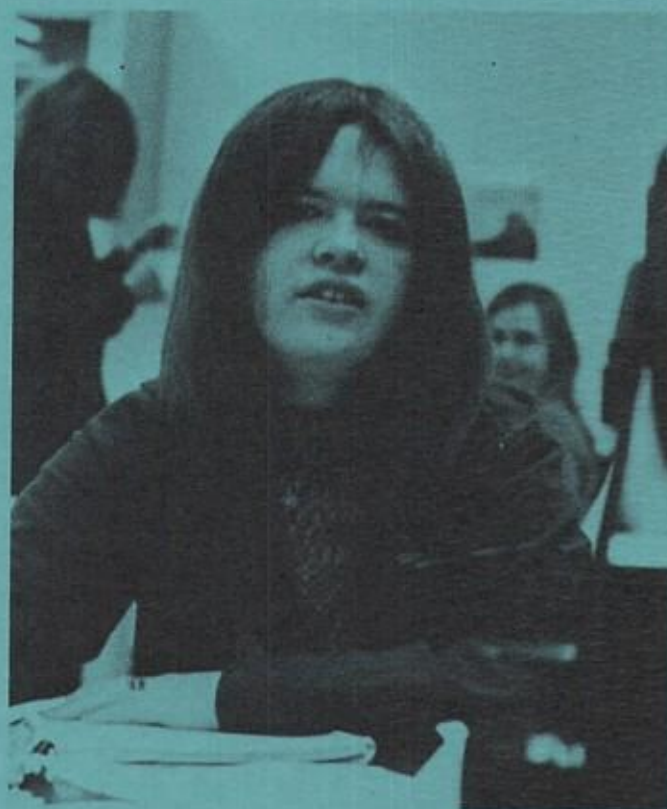

Once the realization is accepted
that even between the closest hu-
man beings infinite differences con-
tinue to exist, a wonderful living
side by side can grow up . . .

—Rainer Maria Rilke

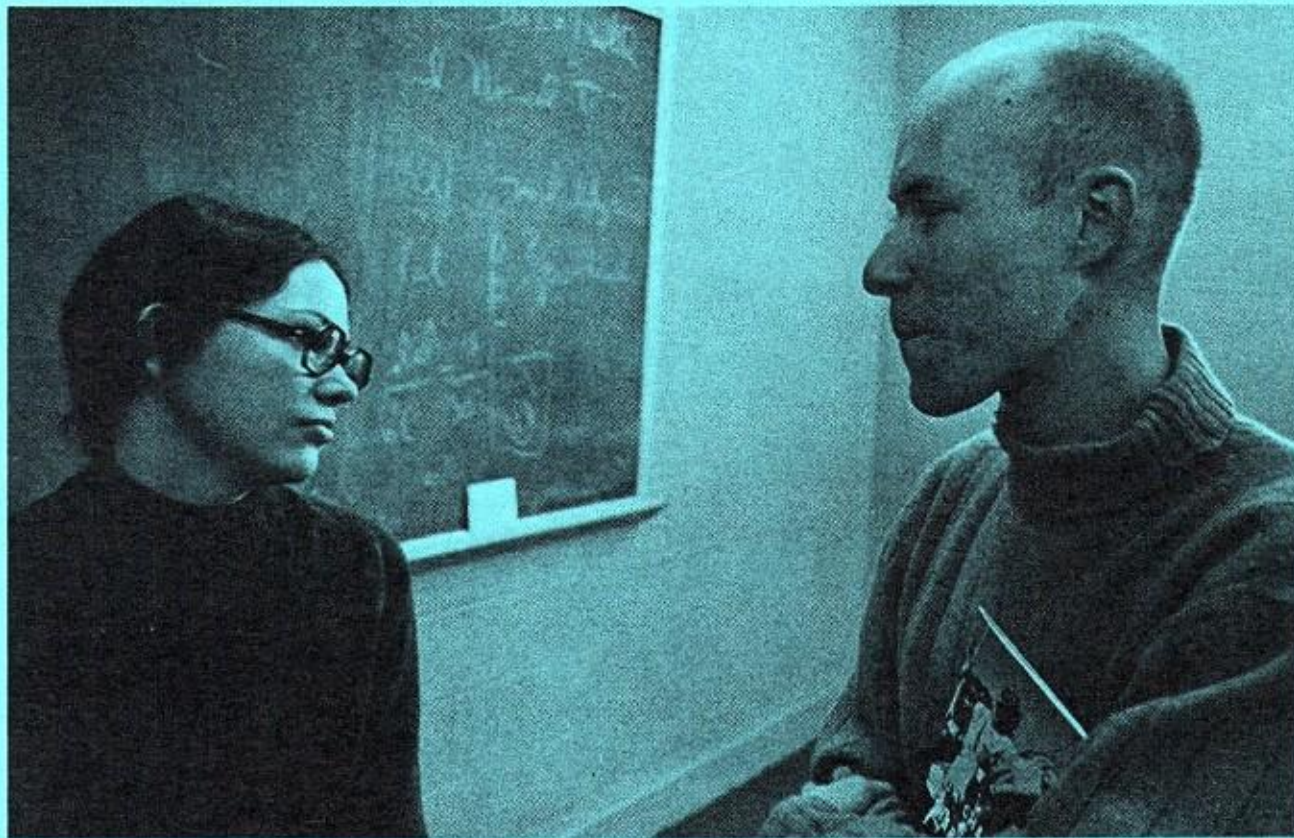

Baby, who needs the static?
... it hurts the head.

—Joni Mitchell

With all beings and all things we shall be as relatives.
—Sioux Indian

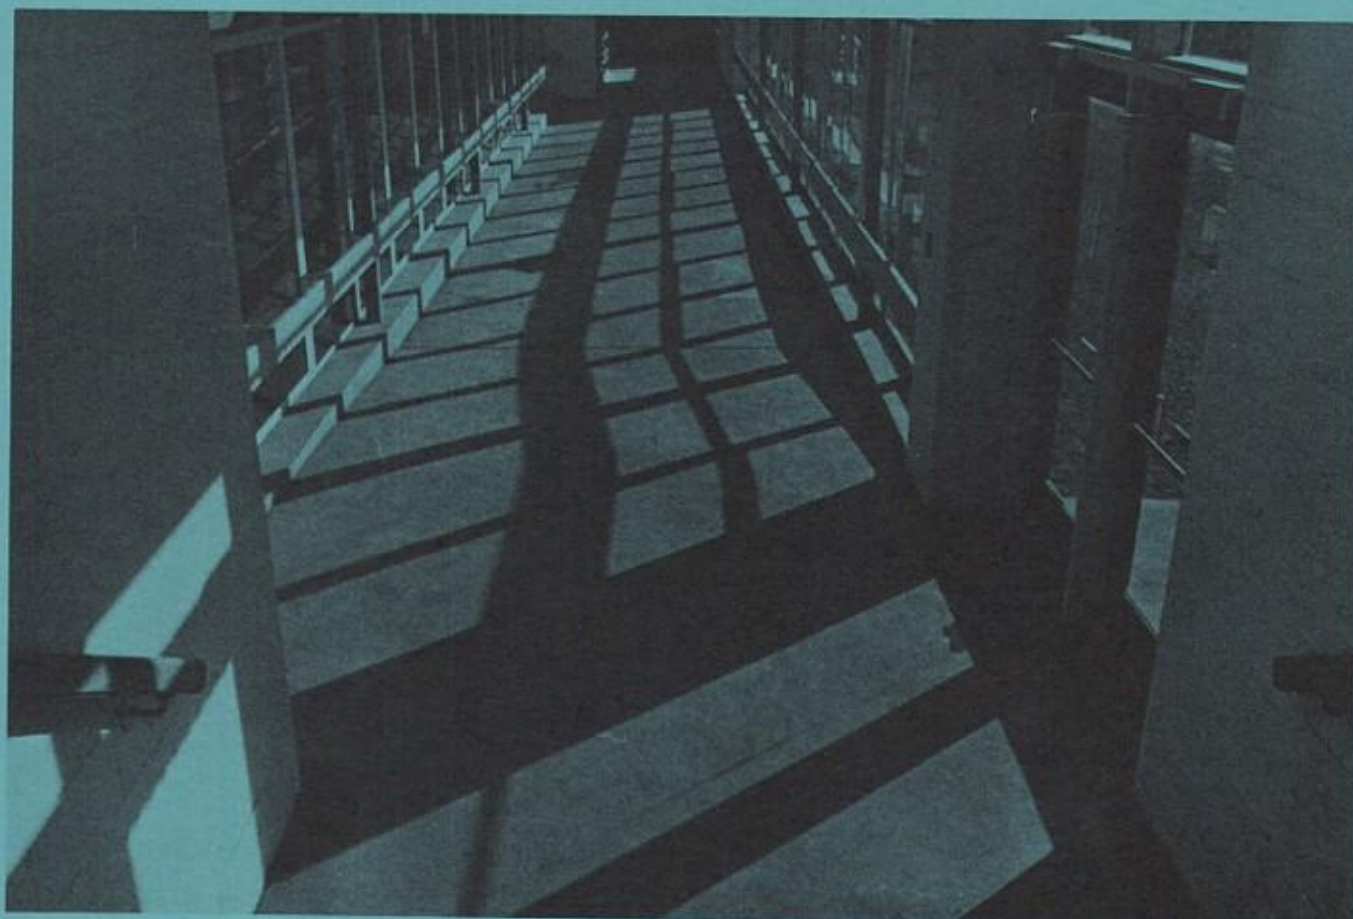

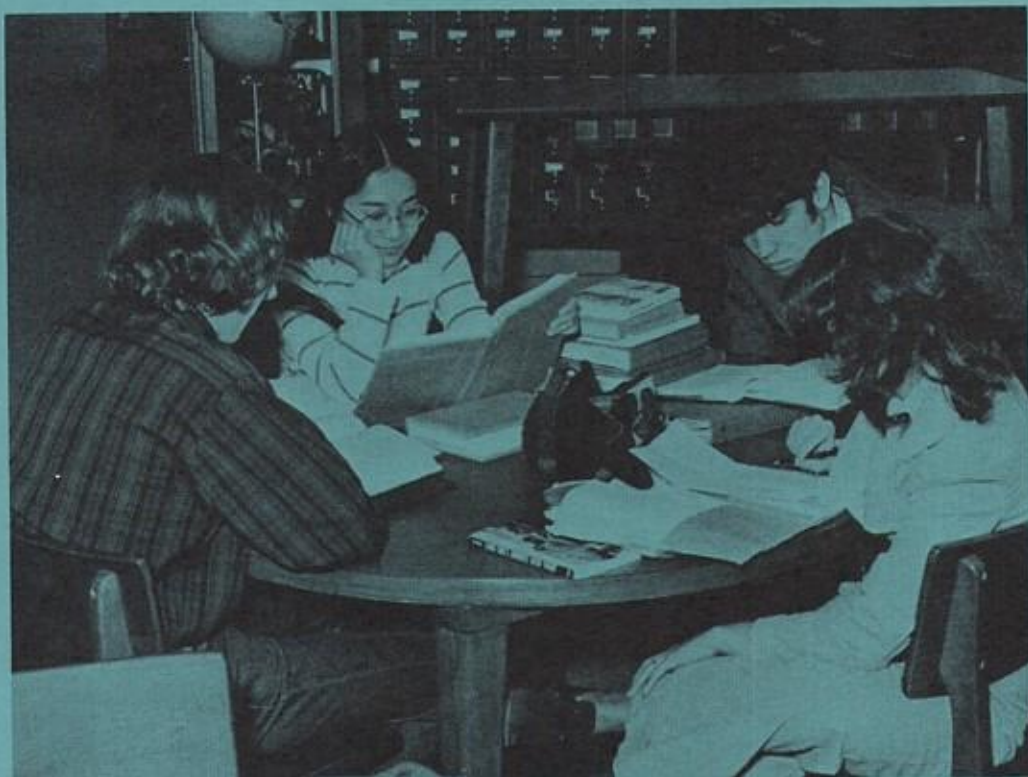

I still believe that people are really
good at heart.

—Anne Frank

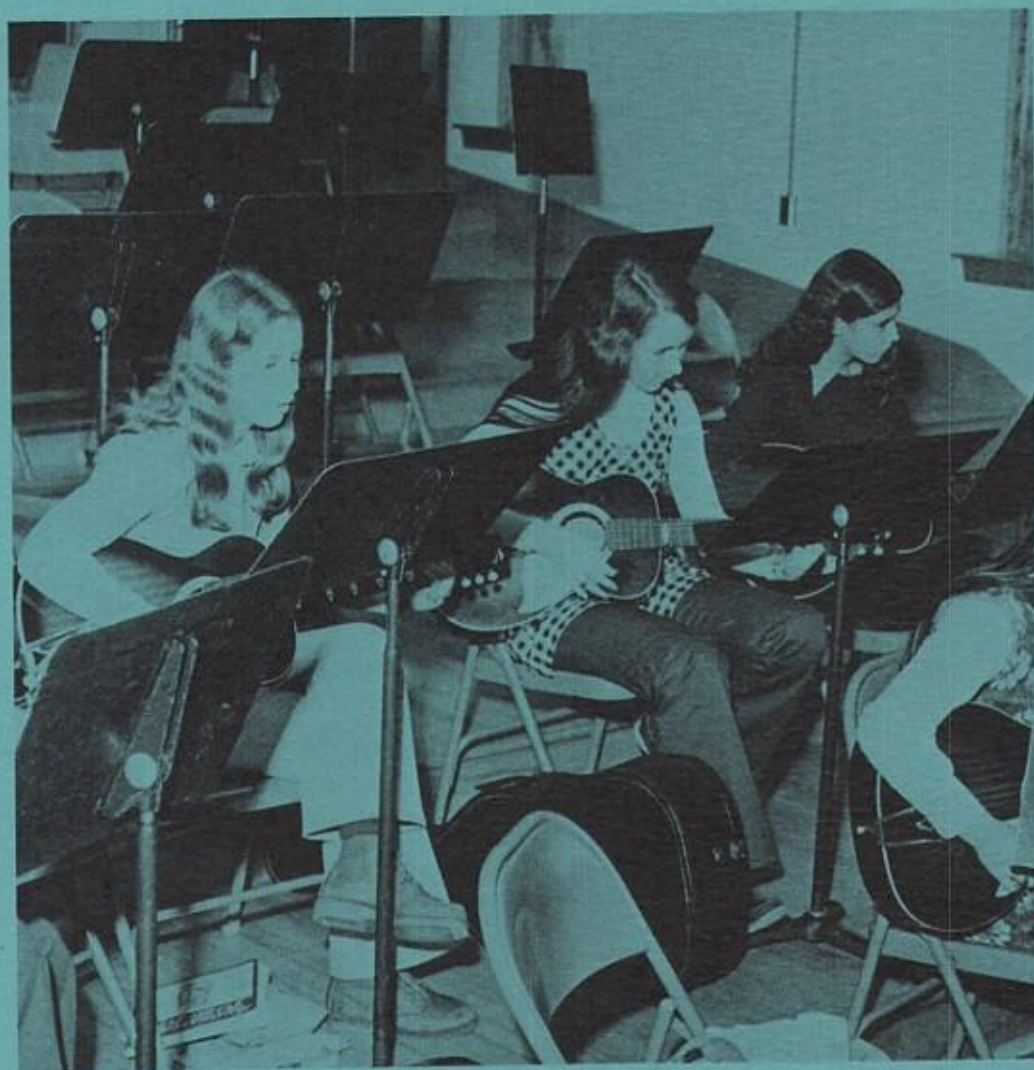

the places in my past,
fading faces in a waking dream
—James Taylor

In swarms of people
I maintain serenity,
For I am alone.
—Martha Vestal

Don't walk in front of me—I may not follow
Don't walk behind me—I may not lead
Walk beside me—And just be my friend

—Albert Camus

our heartiest congratulations*

When you start working and receive your first salary, we invite you to come in and open a Savings Account. Then, make it a habit to save something each pay day. Building a healthy bank balance will give you a wonderful feeling and prove that you have what it takes to get ahead financially. We'll welcome you as a depositor.

You're about to take a giant step forward into your future. We think we can make it the bright one you want it to be at New England Telephone. With a job that's every bit as big as your ambition. You see, we need people. With all kinds of talents. And especially, people who really want to get going with their future. And want to be rewarded with automatic raises. If you want a job and a future that's tailored to your talent... along with unusually generous fringe benefits, stop in and see your guidance counselor. Ask when and where you can apply for an interview with the people who want to make your future as happy as you want it to be.

"A thought transfixed me: for the first time in my life I saw the truth as it is set into song by so many poets, proclaimed as the final wisdom by so many thinkers. The truth—that love is the ultimate and the highest goal to which man can aspire. Then I grasped the meaning of the greatest secret that human poetry and human thought and belief have to impart:
The salvation of man is through love and in love."

It's a Big Wide Wonderful World...

Judging by the headlines, the problems of the world seem to be increasing.

Pollution, war, disease, poverty, racism, crime, injustice and a thousand other specters haunt our lives and beat away on the drums of despair.

And yet, in the midst of it all, life flourishes. Somehow, there is still love, and happiness, and beauty, and all the other good things.

Best of all, there are the millions and millions of people who still care about our world and who are doing whatever they can to make it better—helping others, respecting the environment, speaking out when they think something's wrong, helping to preserve what is good, and to change what is not.

Because of them, it's still a big wide, wonderful world. With your help, it always will be.

Don't let the headlines beat you down. Find the good things and make them better.

CONGRATULATIONS FROM YOUR 108 YEAR-OLD
NEIGHBOR

Yes, we've been a nationally known knitwear manufacturer for over a century, but we think young—young enough to truly appreciate the thoughts and talents of the “now” generation. Everyone at Carter's including these recent Needham High School graduates offers you his best wishes for success and happiness in the years ahead.

If you're starting your career now, perhaps you'd like to be a part of the Carter's team. Call Eliot Olsen at 444-7500. He'll be glad to show you around and tell you about our on-the-job training, good pay and benefits which include tuition aid. And think of all the time and money you could save by not commuting!
